BY-LAWS UPDATE

At the 78th Annual Banquet, landowners voted to amend the District by-laws for the first time since 1984!

TIME ROLLS ON....

In 2024, we said goodbye to two District employees: Debbie Mitchell, District Manager for 11 years retired.

And Mia Hampton, our outreach technician, began her new career as a teacher.

Congratulations to both Debbie and Mia, and thank you for your years of service to our District.!
